

Mama's,

I can not begin to tell you how many compliments I received over food I had catered for my in-laws anniversary party! Everyone said the same things, "Where did you get this food, catering food is always awful!" The quality and taste was far superior to anything around. Your food is so delicious! So delicious in fact, instead of the BBQ we had planned for Fathers Day the previous night we served the leftovers! I say with certainty that your business will be growing with all the new customers coming in for Chicken Picatta!

Many thanks again for making my party a huge success and the ease of knowing it was taken care of and out of my hands was worth it!

Julie
